Siker, 2006-11-30 Few issues today cause more public and private debate than the interaction of homosexuality and religion From the question of gay marriage to the place of gays and lesbians within faith communities religious leaders and lay members must deal with these issues for now and for years to come What is the historical position of the major denominations How are people of faith balancing their beliefs This encyclopedia provides an overview of the various attitudes and responses that religions have had to the presence of gay lesbian bisexual and transgendered persons within their communities This is the most comprehensive volume to date on the intersections between religion and homosexuality **Handbook of Religion and Social Institutions** Helen Rose Ebaugh, 2007-10-23 Handbook for Religion and Social Institutions is written for sociologists who study a variety of sub disciplines and are interested in recent studies and theoretical approaches that relate religious variables to their particular area of interest The handbook focuses on several major themes Social Institutions such as Politics Economics Education Health and Social Welfare Family and the Life Cycle Inequality Social Control Culture Religion as a Social Institution and in a Global Perspective This handbook will be of interest to social scientists including sociologists anthropologists political scientists and other researchers whose study brings them in contact with the study of religion and its impact on social institutions A Special Illumination Rollan McCleary, 2017-07-28 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion **Preaching to a Shifting Culture** Scott M. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
