

An aerial photograph of a city, likely San Francisco, showing a river (the San Francisco River) flowing through the city. A bridge (the Golden Gate Bridge) is visible in the background. The city is densely packed with buildings and streets. The river is a prominent feature, winding through the urban landscape. The bridge is a large, multi-lane structure that spans the river. The overall scene is a high-angle view of the city, showing the layout of the streets and the location of the river and bridge.
