Citizen You Doing Your Part To Change The World:

Our Global Families Todd M. Johnson, Cindy M. Wu, 2015-02-10 As Christians we belong to not only a diverse global Christian family but also a diverse human family Todd Johnson a noted expert on global Christianity and world missions trends and Cindy Wu show how divisions within these families work against our desire to bring about positive change in the world They provide an overview of global Christian identity exploring how we can be faithful to our own tradition while engaging Christians across denominations and be better informed as we work with people of other religions The book utilizes the latest research data on global Christianity and world religions and includes tables graphs charts and end of chapter discussion questions

Brave Girls Stacey Radin, 2016-01-12 A solid resource for parents and educators Kirkus Reviews Brave Girls is an empowering guide to cultivating confident passionate and powerful young leaders during the most formative stage of life the middle school years After years of research as a psychologist and consultant for women struggling in the professional world Stacey Radin made a groundbreaking realization women who become successful leaders learn how to do so in the middle grades the most formative stage in a girl's development and self identification Drawing on her own experience with Unleashed an after school program dedicated to empowering girls through puppy rescue Radin has written Brave Girls the ultimate guidebook for anyone who wants to help girls become confident passionate and powerful leaders At a pivotal time in their lives girls learn to advocate for others think critically and most importantly gain confidence in their ability to create change Perfect for anyone concerned with girls and women's lives New York Times bestselling author Michael Gurian Brave Girls shows how contributing to one cause can shape a leader for life while reducing the hazards of middle school bullying excessive competition fear of speaking out and identifying the patterns that truly make a difference If we take initiative early enough we can inspire today's girls to become the next generation of strong enthusiastic and fulfilled leaders in all areas of society

Standing on the Sun Christopher Meyer, Julia Kirby, 2012 That global commerce is undergoing a tectonic shift is no secret What you haven't yet heard and are probably looking for is a clear eyed and cogent view of what the world will look like as this transformation takes shape including the specific opportunities that will emerge This book scans the world landscape to provide a vision for the future and delivers the so what action items that businesses so desperately need This is not a book about the recent great recession or the best policy moves It's about economic change drawn on a larger canvas and how it is ushering in a whole new future for capitalism Standing on the Sun does not discuss marketing to the bottom of the pyramid or success models for doing business in the emerging economies Instead it identifies the innovations that will disrupt the patterns of business and governance around the world It will reveal the nascent market leading management solutions that are the very beginning of the next wave It will offer compelling stories and examples that describe the new measurement of value the changing nature of scarcity the value of sustainability and the pricing of externalities that are all suddenly wide open to reinterpretation Provided by publisher

Citizen You Jonathan M. Tisch, Karl

Weber,2010 A new activism is emerging at a time when a fresh definition of citizenship is sorely needed a time of unprecedented challenges on the national world stage where engagement is not a choice but a necessity

Building Leadership Development Programmes Nigel Paine,2016-11-03 Most leadership development runs on rails courses are organized with standard content usually delivered by companies set up expressly for that purpose Most leadership programmes fail when judged on whether they achieve lasting impact and behaviour change because what is covered is often forgotten after the programme ends Building Leadership Development Programmes is designed to show how leadership development should work It challenges the widely accepted notion that leadership development cannot be measured and it exemplifies how to design programmes that are in line with organizational needs and deliver lasting and measurable impact Building Leadership Development Programmes is structured around detailed case studies from around the world that offer unique insights into the process of building effective leadership development looking at a range of approaches from almost zero cost options to high end investment that actually works It helps readers think through what it is that they are actually trying to achieve offering processes to work through to establish what is necessary for their organization and take a longer view than looking for quick fixes It features case studies including Crotonville Leadership Centre who have worked with GE McKinsey and the Red Cross and interviews with world authorities on leadership and talent development Detailed guidance will help identify the right measures to ensure impact and to adopt the right methodologies including looking at leadership coaching mentoring social learning and action learning blowing apart the idea that expensive training courses are always required

The Economics of Arrival Katherine Trebeck,Jeremy Williams,2019-01-15 What do we want from economic growth What sort of a society are we aiming for In everyday economics there is no such thing as enough or too much growth Yet in the world s most developed countries growth has already brought unrivalled prosperity we have arrived More than that through debt inequality climate change and fractured politics the fruits of growth may rot before everyone has a chance to enjoy them It s high time to ask where progress is taking us and are we nearly there yet In fact Trebeck and Williams claim in this ground breaking book the challenge is now to make ourselves at home with this wealth to ensure in the interests of equality that everyone is included They explore the possibility of Arrival urging us to move from enlarging the economy to improving it and the benefits this would bring for all
