Copyright Office,1975 **Thoughts at 4 Am** Hectic Times,2017-05-18 I wrote these poems because I was experiencing extreme depression I still suffer depression but use these poems to get my life into perspective These poems allowed me to change my day from lying in bed feeling completely numb and having no ambition to connect with the outside world to getting up and going for a walk to the park I then started walking long distances to the beach and was walking sixteen kilometres a day for a few weeks I didnt talk to anyone but one

day I went to a cafe and met a person I once played football against I told him my story and he listened for over an hour I then started doing some work and things progressed to now where Im seeing a girl Writing these poems saved my life My three beautiful children whom I missed became my focus again and a light turned on in my head The poems are not overly positive but are the realisation that balance is essential for happiness and my marriage allowed me no balance They are related to my personal situation and might not relate to anyone else but I still read these poems often and they are what I use to keep my life in perspective I hope they can do the same for someone else
