Satan's Dare Jim DeMint, 2021-05-19 Satan's Dare is different from any other Jim DeMint book and it very well may be his most important Glenn Beck Satan's Dare is a powerful story that will confirm the faith of Christians and challenge skeptics to search for real truth Dr M G Pat Robertson The Bible is often presented as an antiquated document filled with mysterious prophecies unbelievable fables and arbitrary decisions by a God whose actions range from anger and vengeance to love and forgiveness The Bible's creation story appears to be at complete odds with more credible scientific explanations of the origins and evolution of life And believers in Biblical truth are further challenged by haunting questions about why a good God would create a world so full of evil pain suffering and death Satan's Dare takes these issues and questions head on

Have You Considered My Servant Job? Samuel E. Balentine, 2015-01-09 An extensive history of how the Bible's story of Job has been interpreted through the ages The question that launches Job's story is posed by God at the outset of the story Have you considered my servant Job 1:8-2:3 By any estimation the answer to this question must be yes The forty-two chapters that form the biblical story have in fact opened the story to an ongoing practice of reading and rereading evaluating and reevaluating Early Greek and Jewish translators emphasized some aspects of the story and omitted others the Church Fathers interpreted Job as a forerunner of Christ while medieval Jewish commentators debated conservative and liberal interpretations of God's providential love Artists beginning at least in the Greco-Roman period painted and sculpted their own interpretations of Job Novelists playwrights poets and musicians religious and irreligious from virtually all points of the globe have added their own distinctive readings In Have You Considered My Servant Job Samuel E Balentine examines this rich and varied history of interpretation by focusing on the principal characters in the story Job God the Satan figure Job's wife and Job's friends Each chapter begins with a concise analysis of the biblical description of these characters then explores how subsequent readers have expanded or reduced the story shifted its major emphases or retained them read the story as history or as fiction and applied the morals of the story to the present or dismissed them as irrelevant Each new generation of readers is shaped by different historical cultural and

political contexts which in turn require new interpretations of an old yet continually mesmerizing story Voltaire read Job one way in the eighteenth century Herman Melville a different way in the nineteenth century Goethe's reading of the Satan figure in Faust is not the same as Chaucer's in The Canterbury Tales and neither is fully consonant with the Testament of Job or the Qur'an One need only compare the descriptions of God in the biblical account with the imaginative renderings by Herman Melville Walt Whitman and Franz Kafka to see that the effort to understand why God afflicts Job for no reason 23 continues to be both compelling and endlessly complicated A tour de force of cultural interaction with the book of Job He guides today's reader along the path of Job interpretation exegesis adaptation and imagining revealing the sheer variety of themes meanings creativity and re-readings that have been inspired by this one biblical book Balentine shows us that not only is there always someone playing Job MacLeish J B but there's always someone past or present reading this ever enigmatic book Katharine J Dell University of Cambridge Balentine considers Job for the countless ways this biblical book in all its rich complexities has inspired readers over the centuries Balentine's volume sparkles with insightful theological commentary and rigorous scholarship and any exegetical course or study on Job would benefit from it Interpretation A Journal of Bible and Theology

Faith for Modern Times Brad W. Erlandson, 2009-05-21 The issue of faith what it is and how it works is not only a hot topic but is of great importance in this day and age Many claim that true faith is a means to an end and that end usually has to do with greater health and wealth It is true one may have great faith money in the bank and perfect health On the other hand one may suffer and be poor by the world's standards yet still have great faith and be rich in God's economy True faith is about a deepening relationship with God In these pages the author looks at four men of faith in the Old Testament traces their walk of faith and shows how modern man can expect the same dynamic walk They went

through great trials suffering pain and setbacks but still held onto God and His plan for their lives God has a great plan for our lives as well and we can walk out that plan by applying the same faith As you read you will become familiar with these four figures They heard from God and what they heard was tested and proved They all came out on top because they held on during the storms of life If your faith has been tested in any way this book is for you It will encourage and enlighten you as you do your best in this life to walk by faith and not by sight *The Inquisitive Cherub* Haskel T. Salmon,2023-02-09 Have you ever wondered what it must have been like in the heavens before time began and how the world we live in today came into existence There are many theories but no one knows However we can examine the things that are present around us and compile the findings of others through history and come up with some very interesting thoughts Based on the Bible author Haskel T Salmon puts his thoughts together regarding how it could have all begun in a land without time featuring a newly created inquisitive cherub s observation of the genesis of humanity **Experiencing God's Grace in Your Trials** Tommy Romans,2019-11-06 Have you ever wondered what life was like in the Garden of Eden before Adam and Eve sinned What did it really feel like to live in such a wonderful and charming place of perfect peace and harmony It was surely paradise for our first parents There was not a trace of evil not a hint of anything bad that would hurt or mar until the great tempter showed up The Bible calls him the devil our archenemy and master of deceit whom Jesus describes as a thief who comes to steal kill and destroy Satan appeared to Eve as a beguiling harmless serpent but since then has taken many subtle and artful forms As you prayerfully read from these inspired pages the author takes you through the Bible on a thrilling adventure that will hold you in suspense as you watch the battle between the forces of good and evil take place The stage is being set and the final battle of the ages is now beginning to unfold and will soon take place between God and Satan It is a battle for the souls of man You will see Satan s many cunning tactics and come to understand the devices he uses to lead people away from a loving God and cause them to fall and fail Are you going through a trial or being tempted Is there something you are up against and battling Are you or someone you know suffering some hardship and have fallen victim to Satan and failed Don t give up You will discover in this book God s redeeming grace You will behold God s salvation and love for His children like you have never witnessed Through the pages you will see Him reaching to the lost and confused to the troubled and hurting You will discover God s saving and delivering power is much greater than Satan You will find He s greater than any and all failure and sin no matter how big or bad You will behold His forgiveness and cleansing and see lives transformed and healed When you finish reading this God inspired work you will be able to recognize Satan s many deceiving ways You will be able to see right through every temptation and lie of your enemy and avoid hurt and disaster in your life your home and church This book will teach you how to put on the whole armor of God and be an overcomer You will understand God s guidance and learn His voice that will keep you safe In the midst of your trials you will learn to trust God hold on to faith and come out victorious Dear reader there is hope God is still making winners May God bless you as you start this journey Report Commonwealth
