Lingel looks at the site's history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open. She examines Craigslist's legal history describing the company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site. More than an online garage sale job board or dating site, Craigslist holds vital lessons for the rest of the web. It is a website that values user privacy over profits, ease of use over slick design, and an ethos of the early web that might just hold the key to a more open, transparent, and democratic internet.

The Indie Cred Test Henry H. Owings, 2012-09-04. An obsessively completist checklist of cool covering lifestyle, fashion, music, movies, body art, and more. The Indie Cred Test is the ultimate test of hipness. Sixteen chapters and countless sidebars cover musicians, authors, hipsters, hippies, miniature toy poodles, and everything in between. Part pop culture quiz, part satire, part handbook of all things cool, this fun and fascinating book is The Official Preppy Handbook meets The Hipster Handbook, plus massive amounts of what else indie cred. Readers can put their indie cred to the test by answering such questions and prompts as: Explain McSweeney's. Is a bike your primary form of transportation? Is there any kind of T-shirt that can't be worn ironically? Has Courtney Love ever taken a swing at you?

Gender, Sex, and Politics Shira Tarrant, 2015-06-19. Gender, Sex, and Politics In the Streets and Between the Sheets in the 21st Century includes twenty-seven chapters organized into five sections: Gender, Sexuality, and Social Control; Pornography; Sex and Social Media; Dating, Desire, and the Politics of Hooking Up; and Issues in Sexual Pleasure and Safety. This anthology presents these topics using a point-counterpoint, different point framework. Its arguments and perspectives do not pit writers against each other in a binary pro/con debate format. Instead, a variety of views are juxtaposed to encourage critical thinking and robust conversation. This framework enables readers to assess the strengths and shortcomings of conflicting ideas. The chapters are organized in a way that will challenge cherished beliefs and hone both academic and personal insight. Gender, Sex, and Politics is ideal for sparking debates in intro to women's and gender studies, sexuality, and gender courses.
