Crazy For Rivers Tales Of Trout Fishing:

Crazy for Rivers Bill Barich, 2015-02-10 That autumn I went a little crazy for rivers So writes Bill Barich and this charming volume captures the essence of obsession The hours he spent on various streams became a meditation on family friends and the natural world To anyone who remembers the infinite patience of a grandfather on a lake or the romance of a mountain getaway with a new girlfriend to anyone who can recall each fish caught on days that were far too hot or way too cold or on rivers too crowded or in canyons too steep to anyone who has appreciated the trust of an age old fishing partner or marveled at the beauty of a leaping trout to anyone in fact who has ever gone a little crazy for rivers Bill Barich's wonderful memories of a season on the water and a lifetime of fishing will seem both touching and wise This little book is a gem Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Last Wild Road T. Edward Nickens, 2021-05-14 The Last Wild Road is a raucous gripping sometimes terrifying often hilarious and deeply meditative journey through the heart of the outdoors in the modern world Collected from more than 20 years of hunting and fishing cover stories columns and adventure tales written by T Edward Nickens for Field Stream this book is a road trip that takes in a huge sweep of the North American landscape blackwater rivers in the wilds of eastern North Carolina deserts and prairies of the American West remote tundra of northern Canada and the wildest rivers of Alaska Along every rutted road and rough trail with a rod gun and pen Nickens meets unforgettable characters old French speaking Cajuns at Louisiana squirrel camps a one armed fly tyer in the ancient Appalachians Pennsylvania brothers who lost their father in a hunting accident decades ago and return to the scene for a powerful poignant encounter with history He explores remote wilderness waters to chase trout and ducks but finds rich meaning too in the familiar and close to home fishing with his children plumbing the forests of local farms and butchering deer in his basement as a thanksgiving for the gifts of the outdoors When it comes to hunting and fishing writing often falls into the categories of where to go the how do it and the what to bring This book embarks on the question of why Why does the pursuit of game and fish and the travel to the wild places where they thrive bring meaning and clarity to living in the modern world Why do we laugh more and live more deeply far from the sidewalk If you've ever felt that way you'll find yourself in The Last Wild Road

Story George Monteiro, 2017-03-23 Ernest Hemingway revolutionized the American short story establishing himself as a master of realist fiction in the tradition of Guy de Maupassant Yet none of Hemingway's emulators has succeeded in duplicating his understated minimalist style In his Iceberg Theory of fiction only the tip of the story is seen on the surface the rest is submerged out of sight This study surveys the scope of Hemingway's mastery of the short story form enabling a fuller understanding of such works as Indian Camp Big Two Hearted River The Killers The Mother of a Queen In Another Country Hills Like White Elephants The Snows of Kilimanjaro and The Mercenaries among many others All 13 stories from his underrated Winner Take Nothing collection are evaluated in detail **Forgotten Tales of Colorado** Stephanie
