

@home

You work the majority of your time from home, and while you may visit a HubSpot office 1-2 times per quarter, home is your headquarters. HubSpot supports you in making sure your work-from-home setup is safe, sound, and sets you up for success.

@office

You come into one of HubSpot's global offices 3 or more days per week. You have a dedicated desk for your laptop, monitor, plants, and anything else that makes your workspace truly yours. For that reason, employees who choose @office don't get an at-home desk set-up.

@flex

You come into a HubSpot office 2 or fewer days per week. When you come to the office, you'll be allocated a "hotel desk." Because you opted-out of dedicated desk space in an office, HubSpot will help support your work-from-home set-up.
