'Is life worth living?' A lecture Hugh Hastings (M.R.C.S.),1881 *It Gets Better* Dan Savage,Terry Miller,2011-03-22
Every story can change a life Watch a video Growing up isn't easy Many young people face daily tormenting and bullying making them feel like they have nowhere to turn This is especially true for LGBT kids and teens who often hide their sexuality for fear of bullying Without other openly gay adults and mentors in their lives they can't imagine what their future may hold In many instances gay and lesbian adolescents are taunted even tortured simply for being themselves After a number of tragic suicides by LGBT students who were bullied in school syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller to inspire hope for LGBT youth facing harassment Speaking openly about the bullying they suffered as teenagers and how they both went on to lead rewarding adult lives their video launched the *It Gets Better* Project YouTube channel and initiated a worldwide phenomenon With over 6 000 videos posted and over 20 million views in the first three months alone the world has embraced the opportunity to provide personal honest and heartfelt support for LGBT youth everywhere *It Gets Better* is a collection of expanded essays and new material from celebrities everyday people and teens who have posted videos of encouragement as well as new contributors who have yet to post videos to the site While many of these teens couldn't see a positive future for themselves we can We can show LGBT youth the levels of happiness potential and positivity their lives will reach if they can just get through their teen years By sharing these stories *It Gets Better* reminds teenagers in the LGBT community that they are not alone and it WILL get better [The Life Worth Living](#) Byron L. A Life Worth Living and Loving Darleen Matherne,2017-09-14 This is a book I had to write I learned many valuable life lessons while living it and could no longer keep it in I felt as though God spoke many times to me directly to my heart and through many others to tell this story I never realized I was living anything special that anyone would want to hear until I had so many people tell me to write about it Little did I know that others were watching in awe and wondering if they could survive the things weve lived through If facing adversity with immovable faith in my heart could inspire another person who am I to not tell my story How could I be disobedient to what I knew God wanted me to do I am just an ordinary girl who had no one else to turn to but God Huntingtons is one of those diseases that causes family members to become devastated and lost because even this world of technology cannot help Surviving accidents or certain types of trauma are one thing but to watch the one you love deteriorate to a vegetable state in eighteen years gives a feeling of helplessness Giving all you have to care for this loved one can also bring a family to physical and emotional devastation Youve heard of those who have a will to survive In reading this true story of a family having the husband and father with Huntingtons disease my hope is that you will be inspired to survive whatever it is you go through or will go through in your life Each time I worked on writing this book I felt happy and invigorated knowing I was doing what I was supposed to be doing In reading this book you can experience every emotion from laughter to crying and many feelings in between My hope is that this book will inspire you to not give up on your dreams to live to love and to know God
