Craigslist Ny Rideshare:

An Internet for the People Jessa Lingel, 2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn't profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site's history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist's legal history describing the company's courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet *Travel Happy, Budget Low* Susanna Zaraysky, 2009 *Travel Happy Budget Low* informs you how to travel economically in planes trains and buses how to find inexpensive meals and how to book inexpensive hotel rooms or stay for free with locals With more than 200 tips and 160 website resources *Travel Happy Budget Low* covers the topics of frequent flyer mile tricks health safety expenditures packing passports visas preparation customs and more Budget travel does not mean you will spend weeks on rickety old buses with no ventilation or spend the night in run down hostels You will realize that you too can see Paris The Great Wall of China the Vienna Opera and other great sites without breaking the bank Enrich yourself culturally without being rich Advance Praise for *Travel Happy Budget Low* Susanna has written a digestible yet comprehensive guide to help travelers save money be comfortable journey light and stay happy in the process Beth Whitman author of the *Wanderlust* and *Lipstick* guides for women travelers Susanna is able to combine her personal experience to give the reader some essentials in seeing the world on a budget This book will enable many folks to see more of the world for less Albert Yu Group Sales Manager Four Seasons Silicon Valley A practical read and must have for any budget conscious traveler Share in Susanna's experiences and learn from her mistakes to become a savvy globetrotter This book is for both beginners and experienced travelers with a wealth of tips and resources covering all areas of travel Kristine Ng co founder of Esplora an online resource and social networking site for women travelers I found Ms Zaraysky's book an invaluable source for an independent traveler It is very useful up to the point and very functional I wish I knew some of the tips that I found in this book during my earlier travels Leon Gendin 27 years of travel visited 63 countries lived in 12 countries Do you feel grounded by high priced airline tickets lousy exchange rates and luxury hotels Susanna Zaraysky the quintessential budget globetrotter shows you how to travel well without
