Crashed Driven Trilogy K Bromberg:

Crashed K. Bromberg, 2016-09-05 From New York Times Best Selling Author K Bromberg comes the epic conclusion of Rylee and Colton's story When life crashes down around us how hard are we willing to fight for the one thing we can't live without each other Life is full of moments Big moments Little moments And none of them are inconsequential Every single moment prepares you for that one instance that defines your life You must overcome all your fears confront the demons that chase you and cleanse the poison that clings to your soul or you risk the chance of losing everything Mine started the minute Rylee fell out of that damn storage closet She made me feel Made me whole when all I thought I could ever be was incomplete Became the lifeline I never knew I needed Hell yes she's worth the fight but how do you fight for someone you know you don't deserve Love is full of ups and downs Heart stopping highs Soul shattering lows And none of them are insignificant Love is a racecourse of unexpected twists and turns that must be negotiated You have to break down walls learn to trust and heal from your past in order to win But sometimes it's the expected that's the hardest to hold on to Colton has healed and completed me stolen my heart and made me realize our love's not predictable nor perfect it's bent And bent's okay But when outside factors put our relationship to the test what lengths will I have to go to prove to him that he's worth the fight Whoever said love is patient and love is kind never met the two of us We know our love is worth it have acknowledged that we were meant to be but when our pasts crash into our future will the repercussions make us stronger or break us apart

Fueled K Bromberg, 2024-05-15 What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep Colton stole my heart He wasn't supposed to and I sure as hell didn't want him to but he crashed into my life ignited feelings within me that I thought had died forever and fueled a passion that I never knew could exist Rylee fell out of that damn storage closet and into my life Now I don't think I'll ever be the same She's seen glimpses of the darkness within me and yet she's still here Still fighting for me She is without a doubt the saint and I am most definitely the sinner How is it the one thing neither of us wanted neither of us anticipated that fateful night has us fighting so hard to keep He steals my breath stops my heart and brings me back to life again all in a split second of time But how can I love a man who won't let me in Who continually pushes me away to prevent me from seeing the damaged secrets in his past My heart has fallen but patience and forgiveness can only go so far How can I desire a woman who unnerves me defies me and forces me to see that in the deep black abyss of my soul there's someone worthy of her love A place and person I swore I'd never be again Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her I know I can't be what she needs so why can't I just let her go We are driven by need and fueled with desire but is that enough for us to crash into love
