Creating The Ethical School A Book Of Case Studies:

Creating the Ethical School Bongsoon Zubay, Jonas F. Soltis, 2005 Addressing the many ethical issues that arise daily in school this volume is a hands on guide for all K 12 practitioners an excellent teaching tool for preparing future teachers and an essential resource for anyone who wants to create a caring and supportive school environment This book features realistic provocative and ethically challenging case studies that can be adapted to both private and public school settings ideal for generating discussions about how to resolve given issues a range of encounters educators are apt to experience such as between teacher and teacher teacher and student parent and teacher and parent and administrator an array of ethical dilemmas and issues encountered at different grade levels on topics such as racism teasing cheating plagiarism anorexia free speech violence religion and much more and appendixes listing ethical standards for each member of the school community and overviews of student understandings of right and wrong presented according to grade level

Relational Leadership in Education David L. Giles, 2018-10-03 When is leadership not relational When is education not relational When is life not relational Relationships always matter to our living educating and leading Relational Leadership in Education considers this Relational Leadership within the context of education critiquing the current ideological context and contemporary understandings of its influence Employing a phenomenological approach this book explores the relational nature of education Relational Leadership and the organizational culture to provide a more sophisticated exploration of practice based wisdom It offers an extensive range of activities for further thinking on the experiential nature of Relational Leadership grouped around a number of themes Relational Leadership and sensibilities organizational culture professional development curriculum pedagogy and assessment and the reconstruction of a postgraduate Educational Leadership and Management programme for experienced emergent and aspiring leaders Relational Leadership is not about describing yet another style of leadership but rather about a relational way of being in leadership that utilizes refined relational sensibilities Relational Leadership is also a reminder of what is critical in a leader s practice leadership is always relational and relationships are the essence of leadership

The Cultural and Social Foundations of Educational Leadership Romuald Normand, Leif Moos, Min Liu, Pierre Tulowitzki, 2021-07-12 This book identifies the cultural and moral foundations of country specific educational governance and school leadership and presents the principles of justice and the diversity of common goods that guide leadership practices in schools It contributes to an existing research field that studies diversity and ethical leadership in schools The social dimension of school leadership is not limited to issues related to equality and equity or social inclusion The capacity of leaders to promote civic mindedness and social cooperation consensus and acceptance of others the right balance between freedom and duties and reciprocity of obligations are essential to maintain democratic rights and facilitate the life together while respecting ethnic and cultural differences Therefore the book gathers contributions from a range of international authors capable of reporting these moral and cultural features while broadening the research perspectives on school

leadership *The Ethics of Teaching* Kenneth Strike, Jonas F. Soltis, 2015-04-18 Written in a style that speaks directly to today's teacher The Ethics of Teaching Fifth Edition uses realistic case studies of day to day ethical dilemmas The book covers such topics as punishment and due process intellectual freedom equal treatment of students multiculturalism religious differences democracy teacher burnout professional conduct parental rights child abuse neglect sexual harassment

Educational Leadership and Moral Literacy Patrick M. Jenlink, 2014-03-18 What makes a moral person moral Who decides what morality means What makes leadership practice moral In today's schools what stands as moral leadership These are questions that reflect the complexity integral to the calculus of human morality especially in a world that is defined daily by its variant meanings of morality its acts of immorality The school as an educational setting is or should be a decidedly moral center of the society it is the natural intersect between the family and the multi dimensional nature of public life Educational Leadership and Moral Literacy addresses these questions situating the reader in a conversation that examines the meaning and nature of moral leadership through the lens of moral literacy and the dispositional aims of moral leadership in educational settings The contributing authors extend an argument that the work of leader educators and practitioners alike must continuously be re articulated around the dispositional aims aligned with a moral democratic education Educators must be concerned with developing the moral intellectual and aesthetic dimensions of the educational leader as a moral person Encyclopedia of the Social and Cultural Foundations of Education: A-H ; 2, I-Z ; 3, Biographies, visual history, index Eugene F. Provenzo, John P. Renaud, Asterie Baker Provenzo, 2009 The Encyclopedia provides an introduction to the social and cultural foundations of education The first two volumes consist of A-Z entries featuring essays representing the major disciplines including philosophy history and sociology and a third volume is made up of documentary photographic and visual resources *Encyclopedia of the Social and Cultural Foundations of Education* Eugene F. Provenzo, Jr., 2008-10-29 More than any other field in education the social and cultural foundations of education reflect many of the conflicts tensions and forces in American society This is hardly surprising since the area focuses on issues such as race gender socioeconomic class the impact of technology on learning what it means to be educated and the role of teaching and learning in a societal context The Encyclopedia of the Social and Cultural Foundations of Education provides a comprehensive introduction to the social and cultural foundations of education With more than 400 entries the three volumes of this indispensable resource offer a thorough and interdisciplinary view of the field for all those interested in issues involving schools and society Key Features Provides an interdisciplinary perspective from areas such as comparative education educational anthropology educational sociology the history of education and the philosophy of education Presents essays on major movements in the field including the Free School and Visual Instruction movements Includes more than 130 biographical entries on important men and women in education Offers interpretations of legal material including Brown v Board of Education 1954 and the GI Bill of Rights Explores theoretical debates fundamental to the field such as religion in

,2019-02-11 Nowadays schools face the challenge of creating pedagogical environments that are sensitive to numerous individual backgrounds in order to support students social and academic success Urban schools are communities with rich possibilities to learn how to think feel and act morally In this task principals teachers parents and students of the schools each have their own voice All these voices have to be heard in order to build communities with moral sensibilities This book brings together recent work by international researchers from nine countries in the fields of moral development and citizenship education The book consists of twelve chapters and it is divided into three parts While the first part deals with the voices of urban school educators the second part contains chapters with the focus on students The third part is about curriculum programs and practices in schools that contribute to the education of moral sensibilities in the school communities This book can be used as a textbook in moral and citizenship education or as an updated research report on international research on moral sensibilities Encyclopedia of Educational Reform and Dissent Thomas C.

Hunt,2010-01-20 The history of American education is replete with educational reform and to a lesser extent educational dissent Consider the present you have various forms of privatization school choice the No Child Left Behind act home schooling value added accountability alternative teacher preparation programs on line instruction etc This range of activity is not exceptional For instance consider the past progressive education open education the junior high school the middle school Life Adjustment education career education vocational education the comprehensive high school school to work year round schooling behavioral objectives proficiency exams high stakes testing whole language learning packages and self paced instruction modular scheduling site based management all presented as the way to reform American schools at least in part Then you have the reformers themselves such as John Dewey George Counts Herbert Kohl John Holt Charles Silberman Admiral Hyman Rickover James Bryant Conant all the way back to Horace Mann himself Dissenters and dissenting movements while not as numerous and certainly not as well known in educational circles count the various faith based schools and individuals such as Archbishop Hughes of New York Clearly this is an area rich in ideas rife with controversy and vital in its outcome for individuals and the nation as a whole And yet strangely enough there exists no major encyclopedia bringing the varied strands together in one place as a ready reference for scholars teachers school administrators and students studying to enter the educational profession This two volume work is intended to be that authoritative resource Key

themes and topics include biographies of reformers and dissenters theoretical and ideological perspectives key programs and legislation judicial verdicts impacting educational change in America the politics and processes of educational reform and policy making dissent and resistance to reform technology s impact on educational reform A Reader s Guide in the front matter groups entries around such themes to help readers find related entries more easily *Digital Simulations for Improving Education: Learning Through Artificial Teaching Environments* Gibson, David,Baek, Young Kyun,2009-04-30 Contains research and current trends used in digital simulations of teaching surveying the uses of games and simulations in teacher education
