Critical Feminist Approaches To Eating Disorders

**Patricia Fallon, Melanie A.
Katzman, Susan C. Wooley**

Critical Feminist Approaches To Eating Disorders:

Critical Feminist Approaches to Eating Dis/Orders Helen Malson, Maree Burns, 2009-06-02 Over the past decade there have been significant shifts both in feminist approaches to the field of eating disorders and in the ways in which gender bodies body weight body management and food are understood represented and regulated within the dominant cultural milieus of the early twenty first century **Critical Feminist Approaches to Eating Dis Orders** addresses these developments exploring how eating disordered subjectivities experiences and body management practices are theorised and researched within postmodern and post structuralist feminist frameworks Bringing together an international range of cutting edge contemporary feminist research and theory on eating disorders this book explores how anorexia nervosa bulimia nervosa and obesity cannot be adequately understood in terms of individual mental illness and deviation from the norm but are instead continuous with the dominant cultural ideas and values of contemporary cultures This book will be essential reading for academic graduate and post graduate researchers with an interest in eating disorders and critical feminist scholarship across a range of disciplines including psychology sociology cultural studies and gender studies as well as clinicians interested in exploring innovative theory and practice in this field

Critical Feminist Approaches to Eating Dis/Orders Helen Malson, Maree Burns, 2009-06-02 This book brings together an international range of cutting edge contemporary feminist research and theory on eating disorders **Feminist Perspectives on Eating Disorders** Patricia Fallon, Melanie A.

Katzman, Susan C. Wooley, 1996-10-01 Advancing the literature on a critical topic this important new work illuminates the relationship between the anguish of eating disorder sufferers and the problems of ordinary women The book covers a wide variety of issues from ways in which gender may predispose women to eating disorders to the widespread cultural concerns these problems symbolize Throughout the psychology of women is reflected in the concepts and methods described there is an explicit commitment to political and social equality for women and therapy is reevaluated based on an understanding of the needs of women patients and the potentially differing contributions of male and female therapists Providing valuable insights into the critical problem of eating disorders this book is essential reading for clinicians and researchers alike Also by examining many of the ways in which women are affected by and respond to society's gender politics the book may be used as a text in women's studies courses

The Contemporary Reader of Gender and Fat Studies Amy Erdman Farrell, 2023-06-28 The Contemporary Reader of Gender and Fat Studies is a key reference work in contemporary scholarship situated at the intersection between Gender and Fat Studies charting the connections and tensions between these two fields Comprising over 20 chapters from a range of diverse and international contributors the Reader is structured around the following key themes theorizing gender and fat narrating gender and fat historicizing gender and fat institutions and public policy health and medicine popular culture and media and resistance It is an intersectional collection highlighting the ways that gender and fat always exist in connection with multiple other structures forms of oppression and identities including

race ethnicity sexualities age nationalities disabilities religion and class The Contemporary Reader of Gender and Fat Studies is essential reading for scholars and advanced students in Gender Studies Sexuality Studies Sociology Body Studies Cultural Studies Psychology and Health The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

disorders *Eating Disorders in a Capitalist World* Jelena Balabanić Mavrović, 2023-11-13 Providing a new perspective on female identity this book offers a complete insight into the world of eating disorders in today's society exposing how new forms of freedom for women have also become new forms of self surveillance **Eating Disorders and Child Sexual Abuse** Lisa Hodge, 2021-03-10 This book takes up the challenge of examining women's understandings of eating disorders and child sexual abuse away from a framework focused on pathology The central argument is that women's distress is an enactment of their engagement with certain discourses and practices rather than a reaction triggered by child sexual abuse Guided by a contemporary feminist framework and Mikhail Bakhtin's sociological linguistics to substantiate the argument women's own poetry and drawings are used as evidence to develop support and supplement research findings The book establishes that an eating disorder is an understandable response to sexual trauma and shifts the focus away from a damaged personality Even more importantly it demonstrates that women with eating disorders are using their bodies as a form of resistance to express silenced traumas that remain in the silenced female body This is an active way of making sense of experiences of child sexual abuse The Construction of Eating Disorders Alison Fixsen, 2024-12-16 This ground breaking book draws on original research to critically examine the construction of eating disorders and disordered eating in an analysis that encompasses psychiatry cultural representations and the politics of eating disorders Challenging the idea that disordered eating is an individual marginal issue the book explores how disordered eating and the classification of eating disorders EDs reflect deep societal disruptions regulatory practices and sometimes violent attempts to manage non conformity It demonstrates the impact of biomedical psychiatric legal pharmaceutical technical and consumer groups as well as that of the fast food fashion media and social media industries Novel areas explored include eating disorders and the justice system eating disorders and food landscapes lifestyle eating disorders and the role of capitalism and colonialism in the emerging biopolitics of food and bodies Centrally it reveals how these forces shape the ways that eating disorders are perceived spoken of written about and managed within institutions and wider society The book will appeal to scholars and students of mental health psychology sociology gender studies criminology food justice and anyone interested in the future of our health **Star Power** Aaron Barlow, 2014-08-11 Stars do have real power but not all of them wield it wisely This work explores how a variety of celebrities developed their brands and how celebrity can become a jumping off point to entirely unrelated activities Over the past century a new breed of entertainer has arisen one where the old division between on camera talent and the suits behind the scenes has largely eroded From Mabel Normand and Charlie Chaplin to Lady Gaga and Quentin Tarantino entertainers have attempted to cross specialties and platforms to new arenas from politics to philanthropy and more An ideal resource for general readers as well as students of American popular culture and media at the undergraduate through scholar level *Star Power: The Impact of Branded Celebrity* details the new ways entertainers are working in expanded environments to broaden their brands while also providing the history behind this recent trend The two

volume set comprises four main sections one that provides historical background a second on entertainers moving beyond stardom a third focused on commerce and education and a final section on cultural missions The work documents how earlier entertainers set the stage for today s stars by exploiting their celebrity to take greater artistic control of their projects and provides articles that depict each artist from a number of perspectives Readers will understand what motivates the most important contemporary entertainers working today and better grasp the business of entertainment as a whole how Hollywood works and who is really in control

Getting Better Bite by Bite Ulrike Schmidt, Janet Treasure, June Alexander, 2015-09-16 Getting Better Bite by Bite is an essential authoritative and evidence based self help programme that has been used by bulimia sufferers for over 20 years This new edition maintains the essence of the original book while updating its content for today s readers drawing on the latest knowledge of the biology and psychology of bulimia and its treatment The book provides step by step guidance for change based on solid research The use of everyday language stimulating contemporary case study story telling and evocative illustrations in Bite by Bite provide encouragement hope and new perspectives for all readers This handy sized book fills a need for easy to understand information about Bulimia Nervosa a serious and prevalent eating disorder Ulrike Schmidt and Janet Treasure are world renowned researchers and authorities on eating disorders and June Alexander a former sufferer of anorexia and bulimia is a respected writer and internationally known eating disorder awareness advocate Getting Better Bite by Bite is a valuable resource for sufferers for their families and for the health professionals and carers treating them
