The Confidence-man Herman Melville, 1988 In *Moby Dick* Melville set out to write a mighty book on a mighty theme The editors of this critical text affirm that he succeeded Nevertheless their prolonged examination of the novel reveals textual flaws and anomalies that help to explain Melville's fears that his great work was in some ways a hash or a botch A lengthy historical note also gives a fresh account of Melville's earlier literary career and his working conditions as he wrote it also analyzes the book's contemporary reception and outlines how it finally achieved fame Other sections review theories of the book's genesis detail the circumstances of its publication and present documents closely relating to the story Amazon.com

The Confidence Man Herman Melville, Roy Fuller, 1978-01-01 Poorly received when first published in 1857 *The Confidence Man* is now considered Herman Melville's most nearly perfect work and one that occupies a central place in the American literary tradition of masquerade and trickery Set on April Fool's Day aboard a Mississippi steamer this powerful and engaging novel through the conversations of the confidence man who may be looked on as the Devil or God explores America and American values Part satire part hoax *The Confidence Man* is also a dark look at the nothingness lurking beneath our beliefs and assumptions a look at a universe in which neither God nor the Devil exists and where Christianity is only a comforting fiction little better than an April Fool's prank

The Confidence-Man Herman Melville, 2013-04-29 At sunrise on a first of April there appeared suddenly as Manco Capac at the lake Titicaca a man in cream colors at the water side in the city of St Louis His cheek was fair his chin downy his hair flaxen his hat a white fur one with a long fleecy nap He had neither trunk valise carpet bag nor parcel No porter followed him He was unaccompanied

by friends From the shrugged shoulders titters whispers wonderings of the crowd it was plain that he was in the extremest sense of the word a stranger In the same moment with his advent he stepped aboard the favorite steamer Fidele on the point of starting for New Orleans Stared at but unsaluted with the air of one neither courting nor shunning regard but evenly pursuing the path of duty lead it through solitudes or cities he held on his way along the lower deck until he chanced to come to a placard nigh the captain s office offering a reward for the capture of a mysterious impostor supposed to have recently arrived from the East quite an original genius in his vocation as would appear though wherein his originality consisted was not clearly given but what purported to be a careful description of his person followed As if it had been a theatre bill crowds were gathered about the announcement and among them certain chevaliers whose eyes it was plain were on the capitals or at least earnestly seeking sight of them from behind intervening coats but as for their fingers they were enveloped in some myth though during a chance interval one of these chevaliers somewhat showed his hand in purchasing from another chevalier ex officio a peddler of money belts one of his popular safe guards while another peddler who was still another versatile chevalier hawked in the thick of the throng the lives of Measan the bandit of Ohio Murrel the pirate of the Mississippi and the brothers Harpe the Thugs of the Green River country in Kentucky creatures with others of the sort one and all exterminated at the time and for the most part like the hunted generations of wolves in the same regions leaving comparatively few successors which would seem cause for unalloyed gratulation and is such to all except those who think that in new countries where the wolves are killed off the foxes increase **The Confidence-Man** Herman
