The Social Studies Teacher's Toolbox
Elisabeth Johnson, Evelyn Ramos, 2020-04-28

Social studies teachers will find classroom-tested lessons and strategies that can be easily implemented in the classroom. The Teacher's Toolbox series is an innovative research-based resource providing teachers with instructional strategies for students of all levels and abilities. Each book in the collection focuses on a specific content area. Clear, concise guidance enables teachers to quickly integrate low-prep, high-value lessons and strategies in their middle school and high school classrooms. Every strategy follows a practical how-to format established by the series editors. The Social Studies Teacher's Toolbox contains hundreds of student-friendly classroom lessons and teaching strategies. Clear and concise chapters fully aligned to Common Core Social Studies standards and National Council for the Social Studies standards cover the underlying research, technology-based options, practical classroom use, and modification of each high-value lesson and strategy. This book employs a hands-on approach to help educators quickly learn and apply proven methods and techniques in their social studies courses. Topics range from reading and writing in social studies and tools for analysis to conducting formative and summative assessments, differentiating instruction, motivating students, incorporating social and emotional learning, and culturally responsive teaching. Easy-to-read content shows how and why social studies should be taught and how to make connections across history, geography, political science, and beyond. Designed to reduce instructor preparation time and increase relevance, student engagement, and comprehension, this book explains the usefulness, application, and potential drawbacks of each instructional strategy. Provides fresh activities applicable to all classrooms. Helps social studies teachers work with ELLs, advanced students, and students with learning differences. Offers real-world guidance for addressing current events while covering standards and working with textbooks. The Social Studies Teacher's Toolbox is an invaluable source of real-world lessons, strategies, and techniques for general education teachers and social studies specialists, as well as resource specialists, special education teachers, elementary and secondary educators, and teacher educators.

A Student's Guide to Academic and Professional Writing in Education
Katie O. Arosteguy, Alison Bright, Brenda J. Rinard, 2019

This concise handbook helps educators write for the rhetorical situations they will face as students of education and as preservice and practicing teachers. It provides clear and helpful advice for responding to the varying contexts, audiences, and purposes that arise in four written categories: in education, classroom research, credential, and stakeholder writing. The book moves from academic to professional writing, and chapters include a discussion of relevant genres, mentor texts with salient features, identified visual aids, and exercises that ask students to apply their understanding of the concepts. Readers learn about the scholarly and qualitative research processes prevalent in the field of education and are encouraged to use writing to facilitate change that improves teaching and learning conditions.
